

국제농기계 자재박람회

T W E N E Y S Y S

Business Area

The screenshot shows the TW Enersys website with a navigation menu at the top containing: 회사소개, 사업분야, 제품소개, 채용정보, and 고객센터. The main heading is **BUSINESS** with the subtext "TW에너시스의 사업분야를 소개합니다." Below this, there are six categories represented by images: Battery Pack (battery modules), EV Electronics (circuit boards), ESS & PCS (power storage units), Charger (EV charging station), Smart Factory (industrial automation), and Energy (sustainable energy symbols).

HV Battery Pack, BMS, EV controllers for a AgTech Machines

TWEnergys has over 10 year's experience of developing Battery Systems as shown in the figure below.
